Gen. 194 e.

387-B

LEGAL DEPARTMENT.

In the rules and regulations now proposed to be made by the Board under sub-section (4) of section 2 of the Bombay Medical Act, 1912, it is provided that the Executive Council shall fill a vacancy of the President on account of his resignation or death temporarily till the new President is elected by the Council. Sub-section (3) of section 2 of the Act provides that the President of the Medical Council shall be elected by the members from amongst themselves. This power of election, whether in a permanent or casual vacancy cannot be delegated by the Council to the Executive Council which is a body subordinate to the Council. The power of election must be exercised by the Council itself. A revised rule provides accordingly. The proposed new rule may be inserted after Part I, as rule 6A.
